

LWVCO Testimony on HB 1083 – Colorado Homeless Contribution Income Tax Credit  
House Finance Committee, Feb. 7, 2022

My name is Jo Feder and I am testifying in support of HB22-1083 as a member of the League of Women Voters of Colorado's Legislative Action Committee. The League believes it is important that basic human needs are met. This bill supports housing that promotes temporary, emergency, or transitional housing programs for the unhoused. It is very desirable that it extends those services to underserved rural counties.

Placing the management of the credit under the Division of Housing in the Department of Local Affairs is desirable.

Thank you.
